

When the borders of reality are disappearing...

When dreams are not what they are meant to be... a mere shadow of one's mind.

Can a dream influence reality?

Will Jasmin believe her nightly journeys are taking

her to the past, and do they hold her future, too?

Wanting what all young women desire - love, career, independence - she falls... into dreams.

Are they a curse or a blessing, or both at once?

How is she to find her way?

## Text from the back cover

Can dreams be a vehicle for beings from other times, other realms, to influence reality, to change the future by revealing the past? Where does reality end and imagination begin?

Jasmin, a young Polish woman with no prospects for either love or consistent employment, is plagued by dreams ~ nightmares ~ about a long-ago priestess, an Oracle, who, as a result of her search for immortality, is cursed.

Jasmin's search for a brighter future takes her to the Netherlands, where she finds herself embroiled in a series of adventures and misadventures in both love and work, as well as opportunities for spiritual growth.

Although she tries to ignore her dreams, they begin to creep into her reality, and Jasmin finds herself powerless against the and the woman who controls them.

When the limits are not an option anymore ... When desire wins, pushing Jasmin to indulge in ... dreams? Feeling touched by thousands of hands reaching deep into her soul, she wakes up confused, wondering what is real. Drawn to unknown she ignores it. How long though? Is she on the brink of bliss or a curse taking her into the darkest portion of human existence? Madness born out of curiosity? Will she follow and give in, opening to a forbidden, mostly dark territory? How will that journey end?
