

Tarot Reading

Tarot is not “fortunetelling” in the sense that one sees the future. Instead, cards analyze the current situation, showing the most possible result, outcome. The future is not fixed, depends on our actions, influence from within and out. All is in the constant change.

My reading are to assist you in shaping your best destiny.

If you would like to try it out and my words resonate with you here it is, how it works:

Readings are available through Skype, What’s app and the phone.

Prices:

15 minutes – 45 Euros

30 minutes – 85 Euros
